**Re: FOIA Request  
Avery Dennison (formerly Paxar) Facility  
1 Wilcox Street  
Sayre, PA 18840**

Dear Officer:

This is a request under the Freedom of Information Act (FOIA), 5 U.S.C. § 552 *et seq.* I am requesting contamination and environmental compliance information, and any other environmental reports that your department may have, regarding the known or potential environmental and public health hazards posed by chemicals, including trichloroethylene (TCE) and perchloroethylene (PCE), which were found to be present in soils and in groundwater beneath the above-referenced property.

In order to help you determine my status for the applicability of any fees, I am requesting these documents for litigation purposes on behalf of a plaintiff in a potential civil action. If there are any fees associated with searching or copying the requested documents, I am willing to pay fees for this request up to a maximum of \$100.00. If you estimate that the fees will exceed this limit, please contact me.

If you have any questions about processing this request, you may telephone me during business hours at (215) 985-9177.

Regards,

Benjamin Isser
